TESTIMONIALS*

Jochen Pohle
Chief Retail Officer,
ekServiceGroup

The flood of information at international trade fairs like IFA is difficult to channel, even for industry experts. That's why we look forward to structured and well-prepared news. IFA's media offerings convincingly fulfil this mandate and are a welcome companion during hectic trade fair days. In this way, they round off the overall IFA concept.

Karl Trautmann
Member of the management
board electronic partner –
Electronic partner

I will spend five days minimum at IFA. I still won't be able to discover all trends and visit all industry partners. Therefore IFA International is a perfect magazine to have an overview on highlights and get some inspiration what to visit in my limited spare time.

Yannick Fierling
International CEO, board member

IFA International is a useful tool for every visitor to follow this amazing exhibition and its protagonists with a keen eye. Reading the daily is very interesting for us, to see the growing convergence between Domestic Appliances and Consumer Electronics, the Web and the Digital Economy.

Hans Carpels
Euronics International - President

We are big fans of IFA, and it isn't IFA without IFA International – it is how we start each day at the fair, orienting ourselves and catching up on what is going on around us.
